Annual letter from Wilson J 20706/426

My dear foster parent in christ

Once again god helped me to write a letter to you. Here my parents, relatives, friends and all others are keeping well. Hope you are also the same.

As you know I have completed 1 year COPA course. I am waiting for the result. After finishing the course. I will be going home and find a suitable job either government or private sector. please pray for me. Here I am very happy. By the grace of god I can walk without any walking aid.

As usual we had our christmas function on December 6th. I prepared the manger which was appreciated by all. Along with my friends I decorated the building with colour bulbs, balloons, and colour papers. In between the function we performed many programmes to entertain for invites. I joined in the group dance. After the function I got 300/- as family christmas gift which we spent the amount to celebrate christmas at my house. I enjoyed the company of my friends and relatives during the christmas holidays. I attended church on christmas eve and christmas day.

In Kerala we have many celebrations such as muharram, Deeparali, onam, Ramzan etc. Apart from this the independence day and Republic day we celebrated by hoisting our national flag. During that occasion we sang many

patriotic songs. this year we had childrens carnival and sports competition. I got 1st prize for race competition and passing the ball. I am very happy. Now here it is summer season. I pray for you everyday. please remember me in your prayers. Through this letter I convey our kind regards from my parents and myself. May god bless you.

Thanking you

Wish you a Happy Easter

your's loving foster son
